Strawberry River Chronology

from Paul Baker.

9/18/07

Until June 27, 2007, the operator's name was "Rock-It Stone Works," and the contact people were Shannon Peatross and Travis Clayburne. On June 27, the Division received an amendment changing the operator name to Rock & Stone LLC whose manager is R. P. R. Supply LLC and whose member is Pinnacle Stone LLC. The members of Pinnacle Stone are Shannon and Andrea Peatross. The members of R. P. R. Supply LLC are Joseph C. Read, L. Clifton Read, and Mark E. Perkins.

Until the operator name was changed, the Division addressed correspondence to Shannon Peatross.

June 8, 2006 Letter sent to operator informing him of the requirement to post a surety. *Shannon does not have this.*

* Letters sent to several operators in September and December 2006 and February 2007 were apparently not sent to Shannon Peatross/Rock-It Stone.

April 18, 2007 Inspection conducted, site active, cessation order issued for not posting the surety and not paying the permit fee. Abatement dates were April 30, 2007, for the permit fee and May 18, 2007, for the surety and reclamation contract. *- added on site. "surety + fee"*

April 24, 2007 Cessation order modified to include rule and act citations.

April 25, 2007 Received permit fee check (\$150).

April 30, 2007 Due date for the permit fee.

May 8, 2007 Reclamation contract mailed to operator

May 18, 2007 Due date for the surety.

May 22, 2007 Received letter of credit from Zions Bank. Letter of credit was issued to Rock & Stone LLC (not the operator, Rock-It Stone Works).

May 24, 2007 Permit fee check received back from the bank for insufficient funds.

May 24, 2007 Message left that the permit fee check was returned and that we need to have either a money order or a cashier's check.

May 30, 2007 Sent letter asking for reclamation contract and letter of credit amendment since letter of credit was not issued to the operator (Rock-It Stone Works). *to Shannon Peatross*

June 15, 2007 Called and left message for Shannon that the permit fee check was returned and that we need to get the LOC retitled.

June 18, 2007 Received message from Shannon that the permit fee check was being sent by overnight mail. *no dang.*

June 25, 2007 Called and left message for Shannon that we still don't have the permit fee check or the surety. Suggested that he hand-deliver these today or an FTACO would be issued.

June 26, 2007 FTACO issued

June 27, 2007 Received application to revise the permit with the new operator (Rock & Stone LLC) along with permit fee check and signed reclamation contract. *Cliff Read. - amendment.*

July 9, 2007 Division approves the name change. *- amendment / not a transfer*

Aug 6. - June 27, 07 paid
